BULLY NIGHT FOR COLONEL

Best Rest Since He Was Shot Monday Night

AND HE SUFFERS NO PAIN

Roosevelt Declared To-day That if the Bullet Is Extracted It Will Be Gilded and Carried by Him as a Pocket Piece.

Chicago, Oct. 18.-Colonel Theodore Roosevelt awoke at Mercy hospital shortly before 7 o'clock this morning full of vigor. A nurse hastened into the colonel's room and was assured that he had had a "perfectly bully" night. His temperature had been normal, and he had PRESIDENT TAFT MAY more sleep last night than any time since he was wounded at Milwaukee Mon-

The doctors issued a bulletin at 9:30 this morning, saying that the patient's Contemplates Trip With Mrs. Taft After general condition was so good that he ould be allowed to sit up an hour today. His convalescence is progressing favorably and unless some latent infection manifests itself progress should be

REMARKABLE ORDER TO BULGARIAN ARMY

King Ferdinand Called Upon It To-day to March on Turkish Soil and Fight for a "Just, Great and Sacred" Cause.

Sofia, Bulgaria, Oct. 18.—A striking proclamation to the Bulgarian nation was issued to-day by King Ferdinand. In it he recounts the sufferings of Mace-donian Christians and the efforts of the European powers to secure better treatment for them, and finally says he has called the people to arms only after the patience of the Balkan nations had been xhausted.

"Our work is a just, great and sacred one," he says, "With faith in the protection and support of the Almighty, I order the brave Bulgarian army to march on Turkish territory.'

Rumania Is Stirred Up.

Bucharest, Rumania, Oct. 18.—The Rumanian government, believing any eventual success of the Bulgarian armies would be dangerous to Rumania, has decided to order the mobilization of three army corps immediately after the Bulgarians gain an important victory over the Turks.

Election, To Be Gone About Two Weeks.

towns of not man death child in forts and the work he has done in the upbuilding of the rural schools, in which he has shown great ability, as well as the advanced schools.

The following bill was read the third time and passed:

The following bill was read the third recovered sufficiently to be able to respect to the much more condition was reported to be much more condition was reported to be much more avert any dangerous after effects of the comfortable and this morning she had little operation on the left arm. Yes-time and passed: three hundred children were treated with the virus and last night when the physicians in charge ended their labors for B. Comiati Injured When Horse Jumped the day, there were over a hundred young people who were told to wait until to-day. Again this forenoon there was a constant stream of children passing to and fro in the corridors.

An authority has the following to say When vaccine lymph is introduced into the arm by one or more purctures of a lancet no noticeable effect is discernable for two days. Then a slight papula arises, which, on the fifth or sixth day becomes of a bluish color vesicular, with a raised head. On the eighth day if reaches full development and an inflammatory areola appears, which spreads with the extension of the vesicle and gradually expands till it covers it in every part. day, it falls off, leaving a pernuneut eir-
